_____ (“Executing Broker”)

_____ (“Clearing Broker”)

_____ (“Customer”)

and

_____ (“Order Passing Broker”)

1. All transactions executed orally, in writing or through an electronic order facility or cleared hereunder shall be subject to applicable laws, governmental, regulatory, self-regulatory, exchange or clearing house rules, regulations, interpretations, protocols and the customs and usages of the exchange or clearing house on which they are executed and cleared, as in force from time to time (“Applicable Law”). All disputes relating to transactions executed or cleared under this Agreement shall be governed by and settled pursuant to Applicable Law and shall be subject to the jurisdiction of the exchange (and, if applicable, its clearing house) upon which the dispute arises. The parties to this Agreement shall perform their respective obligations and exercise their respective rights under this Agreement (including, but not limited to, rejecting a Customer order, calling a Customer for margin or providing any notice specified herein) using commercially reasonable judgment, in a commercially reasonable manner under the circumstances, and consistent with Applicable Law.
2. Customer authorizes Executing Broker to execute orders for Customer as transmitted orally, in writing or through an electronic order facility by Customer to Order Passing Broker or Executing Broker, or, as permitted by Applicable Law, directly to an exchange. If Customer transmits an order to Order Passing Broker, then Order Passing Broker will transmit such order to Executing Broker orally, in writing or through an electronic order facility to Executing Broker, or, as permitted by Applicable Law, directly to an exchange. Executing Broker reserves the right to reject an order transmitted to Executing Broker by Order Passing Broker for execution and shall promptly notify Customer or Order Passing Broker of any such rejection. If Order Passing Broker receives notice of rejection from Executing Broker, Order Passing Broker shall as soon as practicable after receipt of such notice, notify Customer. Clearing Broker may, upon prior notice to Executing Broker, place limits or conditions on the positions it will accept for give-up for Customer’s account. Executing Broker shall forward such notice to Order Passing Broker.
3. Unless otherwise agreed in writing, each of the parties authorizes Executing Broker, Order Passing Broker and Clearing Broker to use the services of one or more other persons or entities in connection with their obligations under this Agreement; provided, however, that Executing Broker, Order Passing Broker and Clearing Broker remain responsible to Customer for the performance (or failure of performance) of their respective obligations and responsibilities under this Agreement.
4. Each of Customer and Order Passing Broker, whether placing orders orally, in writing or through an electronic order facility, will be responsible for accurate and valid placement of orders. If Customer transmits an order to Order Passing Broker, then Order Passing Broker, and not Executing Broker or Clearing Broker, will be responsible for determining that all orders are placed or authorized by Customer, and Executing Broker, and not Clearing Broker, will be responsible for determining that all orders are placed or authorized by Order Passing Broker. If Customer transmits an order to Executing Broker or directly to an exchange, then Executing Broker, and not Clearing Broker, will be responsible for determining that all orders are placed or authorized by Customer. Additionally, except as otherwise agreed in writing, Executing Broker will: (a) upon placement of orders with Executing Broker by Customer or Order Passing Broker, as applicable, confirm the terms of the orders with the party communicating the order if customary and practicable; (b) be responsible for the accurate execution of all orders; (c) confirm the execution of such orders to the party communicating the order as soon as is practicable thereafter; and (d) transmit such executed orders to Clearing Broker as soon as practicable, but in no event later than the period mandated by Applicable Law. If Executing Broker confirms the execution of an order to Order Passing Broker, then Order Passing Broker shall confirm the execution of such order to Customer as soon as practicable after receipt of confirmation from Executing Broker. Subject to Section 2 herein, Clearing Broker shall be responsible for clearing all executed orders transmitted to Clearing Broker. Unless otherwise provided by Applicable Law, none of Executing Broker, Order Passing Broker or Clearing Broker shall be responsible or liable for losses or damages resulting from: (x) error, negligence or misconduct of Customer and/or exchange or clearing house; (y) failure of transmission, communication or electronic order facilities; or (z) any other cause or causes beyond their control.
5. Executing Broker will, where applicable, bill commissions for executing trades, as elected in Section 12 below, on a monthly basis. Customer or Clearing Broker, as elected in Section 12 below, shall be responsible for verifying billing and making payment, except where Order Passing Broker and Executing Broker have agreed that Executing Broker will pay the Order Passing Broker applicable fees charged by the Order

Passing Broker. Clearing Broker will, where applicable, pay floor brokerage fees, as well as any exchange or clearing house fees, incurred for all transactions executed by Executing Broker for and on behalf of Customer and subsequently accepted by Clearing Broker. In the event Clearing Broker is billed and remitting payment to Executing Broker, Clearing Broker is acting as payment agent by collecting fees at the instruction of Customer.

6. In the event that Customer or Order Passing Broker disputes or denies knowledge of any transaction, Clearing Broker, Executing Broker or, solely in the case of a dispute by Customer, Order Passing Broker shall be authorized to liquidate or otherwise offset the disputed position. Where practicable, prior notice of such liquidation or offset shall be provided to the other parties to this Agreement.
7. In the event that Clearing Broker does not, for any reason, accept a trade transmitted to it by Executing Broker, Clearing Broker shall promptly notify Executing Broker of such non-acceptance, and Executing Broker, or its designated clearing broker if applicable, shall notify the party communicating the order, and Executing Broker at its option shall be entitled to:
 - (a) close out Customer's trade by such sale, purchase, disposal or other cancellation transaction as Executing Broker may determine, whether on the market, by private contract or any other appropriate method. Executing Broker shall promptly notify the party communicating the order of such close out. Any balance resulting from such close out shall be promptly settled between Executing Broker and Customer; or
 - (b) transfer Customer's trades to another clearing broker as instructed by Customer; or
 - (c) clear Customer's trade in accordance with the following terms:
 - i. Customer shall be fully liable for any and all obligations arising out of or related to transactions entered into or carried in Customer's account by Executing Broker, including, but not limited to: 1) debit balances, 2) exchange or clearing house fees, and 3) brokerage, commissions, and applicable fees charged by Executing Broker and/or Order Passing Broker;
 - ii. Executing Broker shall have the right to call Customer for margin in such amounts, in such form, by such time and in such manner as may be required by Executing Broker. If Customer fails to meet such margin call within such specified time, or if Executing Broker, in its discretion, otherwise deems it appropriate for Executing Broker's protection, Executing Broker may close out Customer's trade pursuant to sub-paragraph (a) above;
 - iii. Customer acknowledges that Customer's trades may be subject to exercise or delivery assignments, where applicable.

In the event that Order Passing Broker receives any notice from Executing Broker under this Section 7, Order Passing Broker shall as soon as practicable after receipt of such notice, forward such notice to Customer.

8. Customer acknowledges that all notices and disclosures that are provided by Clearing Broker to Customer (or Customer's representative) pursuant to Applicable Law, will be deemed, for purposes of Section 7 of this Agreement, as if received by Customer from Executing Broker and Order Passing Broker, as applicable, as well as from Clearing Broker. Clearing Broker represents, warrants and covenants to Executing Broker and Order Passing Broker that it has provided, and will provide, all required notices and disclosures to Customer (or Customer's representative). Customer acknowledges that, subject to the limitations and conditions of Applicable Law, the Executing Broker and its agents may act on the other side of a Customer order by the purchase or sale for an account in which the Executing Broker, an affiliate or a related person has a direct or indirect interest or may engage in pre-execution discussions in executing any order. In the event that at any time Customer must meet specific criteria or have a specified status in order to trade in a certain product, Customer represents and warrants that it meets such criteria and/or specified status. The consent from Customer and representations and warranties from Customer shall be deemed repeated each time Customer enters a new transaction.
9. This Agreement may be terminated by any of the parties hereto upon prior written notice to the other parties. Any such termination shall have no effect upon any party's rights and obligations arising out of transactions executed prior to such termination.
10. This Agreement shall be exclusively governed by, and construed in accordance with, the laws of the jurisdiction specified below without regard to principles of choice of law.
11. This Agreement shall not amend or vary any clearing or electronic services agreement between (i) Clearing Broker and Customer; (ii) Executing Broker and Order Passing Broker; (iii) Executing Broker and Customer or (iv) Order Passing Broker and Customer. In the event of a conflict between this Agreement and such other clearing or electronic services agreement with respect to the execution, clearing or carrying of Customer's trades, such other clearing or electronic services agreement will control with respect thereto.
12. Executing Broker, where applicable, will bill commissions per contract, per half turn, and through electronic brokerage settlement platforms where possible, as specified on attached Addendum, electronic rate schedule, or as separately agreed. In the event of a conflict between rate documents, the electronic rate schedule shall govern.
13. Each party consents to the electronic recording, without the use of an automatic warning tone, of all telephone conversations between or among the parties and their representatives.
14. Unless otherwise prohibited by Applicable Law, any party to this Agreement, from time to time, may add additional accounts of Customer to be governed by this Agreement by prior written notice (which may be by facsimile or other electronic transmission) to the other parties, provided that (i) the same fees agreed to herein apply and (ii) valid clearing accounts for such accounts exist at the Clearing Broker.
15. This Agreement may be executed and delivered in counterparts (including by facsimile or other electronic transmission), each of which will be deemed an original.

16. Any party that has manually executed this Agreement represents, covenants and agrees that the version electronically executed by the other parties and stored on Docs is the final version and sets forth the complete terms and conditions as agreed to by all of the parties.

17. Conformed signatures were executed electronically in accordance with the FIA Electronic Give-Up Agreement System User Agreement.
